Introduction

The purpose of this document is to outline GetawayGo's approach to handling personal data in compliance with the General Data Protection Regulation (GDPR). The GDPR ensures that individuals' personal data is collected, processed and stored with respect to their privacy and provides them with respective rights regarding their personal information. This document explains how GetawayGo complies with GDPR regulations and protects user data.

Scope

This GDPR document applies to all data collected by GetawayGo.

Data Collection and Usage

GetawayGo collects and processes personal data to facilitate short-term accommodation bookings. The collected data includes:

- Full name
- Email address
- Payment details (processed by a third-party payment platform)
- Booking history
- User communication logs

This data is used for booking facilitation and account management. Users will provide consent during account registration. All the data collected has specific purpose and only the necessary

data is stored. Transactions will be stored in a third-party application (Stripe) which is compliant with EU regulations like GDPR.

Legal Basis for Processing Data

The legal basis for processing data on GetawayGo is:

- Consent: Users must provide explicit consent to process their data.
- Contractual Necessity: Personal data is processed to fulfil the contract of providing booking services.

Data Security

GetawayGo takes the protection of personal data seriously and has planned several security measures:

- Data encryption both at rest and in transit.
- Regular vulnerability assessments.
- Role-based access controls.
- Data stored on secure cloud servers.

User Rights

GetawayGo users will have the following rights under GDPR:

- Right to Access: Users can access their personal data at any time.
- Right to Update: Users can request the correction of any inaccurate personal data.
- Right to Delete: Users can request the deletion of their personal data.

Data Retention Policy

GetawayGo retains personal data for as long as necessary to fulfil the purpose of which it was collected.

Conclusion

GetawayGo is fully committed to safeguarding the privacy and personal data of its users. By adhering to the principles set out in this GDPR document, GetawayGo ensures the protection of the users' data.
